ECO-FRIENDLY TABLEWARE

WELCOME TO RESTAURANTWARE.COM!

RestaurantWare.com is the leading manufacturer and online distributor of discount, wholesale restaurant supplies. We're streamlining every day to satisfy customers through perfecting our position as bulk order experts, same day shipping all-stars, and world-wide leader in bamboo dinnerware supplies.

OUR STORY

With 10 years of strong performance in the restaurant industry, experience drives everything we do at RestaurantWare. Past successes and direct industry feedback informs cutting edge product design with an environmental focus. And accessibility to these great items has never been easier or faster.

The evolution of our innovative website has changed how top chefs, caterers, and major restaurants order and receive tableware in bulk. Shopping consultants are embedded in the website to guide customers

through the purchasing process. Once the order is placed, we ship same day and our commitment to quality doesn't stop until the package reaches your business or restaurant.

As a brand synonymous with reliability, we're proud that Restaurantware.com is consistently relied on for major events, luxury hotels and restaurants, and private parties nationally and abroad.

OUR PRODUCT VALUES

Call us control freaks or call us discount zealots, we handle everything along the supply chain from design through to the final sale at RestaurantWare.com. We keep prices low by edging out the costly middlemen. And the best part is, our eco-friendly products don't sacrifice any strength, the biodegradable bamboo line is stronger than steel. We're proud to set the eco-catering industry standard.
